

Dalhousie University's Centre for International Trade and Transportation
and Michigan State University's Canadian Studies Center Present:

GLOBAL TRADE AND TRANSPORTATION: NEXT STEPS

June 19 to June 21, 2011
in Halifax, Nova Scotia, Canada

HALIFAX

DETROIT

The event will focus on Halifax as a major transport corridor to Michigan and the Midwest. It will explore current business cases that work, transportation issues and challenges, and plans for an intermodal transport hub in Michigan. Business leaders, policy makers and the research community are all invited to participate.

Please join us and take part in a great networking opportunity!
