Before Summit activities

In preparation for the discussion of an action agenda...

Please submit a paragraph summary on economic development projects related to trade between the U.S. Great Lakes Region and Canada with contact information by Oct 13.

Economic development project leaders are invited to display a poster presentation from Sunday through Monday. Plans to display a poster must be relayed by October 13.

All facilitators and panelists agree to participate in a conference call prior to the Summit.

All panelists are asked to come prepared with the top three action steps needed to move binational trade forward as it relates to the theme that the panel is addressing.

Ongoing Summit Activity

As we build the action agenda...

There will be transcribers for the entirety of the Summit for purposes of a post-conference report.

Informed facilitators will help move the discussion.

The audience will have an opportunity to vote on priorities in the strategic plan and where these actions fall on a timeline.

Summit participants will develop an action agenda for increasing trade between the U.S. Midwest and Canada.

SUMMIT AGENDA

Great Lakes International Trade and Transport Hub Summit
Kellogg Center, East Lansing, MI -- October 16 through October 18

ECONOMIC DEVELOPMENT STIMULATION BETWEEN THE GREAT LAKES REGION, ONTARIO AND NOVA SCOTIA USING EMERGING GLOBAL SUPPLY CHAIN SOLUTIONS

DEVELOPING AN ACTION AGENDA

Sunday, October 16

Sunday’s session will extend a welcome to sponsors and participants. Key themes of the two-day meeting will be presented. Attendees will understand the fundamental purpose or mission underlying the work to be accomplished during the summit. The audience will learn about current activity focused on business challenges with supply chain innovation and bi-national trade.

Welcome

4:00pm Reception: Meeting our work partners
Participants are invited to step forward to provide an elevator speech (three to five minutes) on their area initiative and what they hope to get out of the summit. Audience members will be able to connect later with those in the room who have similar interests to their own. An introduction to the conference format as well as audience participation tools will be presented.

-AnnMarie Schneider, Institute for Public Policy and Social Research, Canadian Studies Center Director, Michigan State University, GLITTH Vice Chair
-Dan Lynch, Centre for International Trade and Innovation, Dalhousie University, GLITTH Vice Chair

5:00 Dinner: Envisioning where we want to be, Building the Action Agenda
Opening speakers will give their perspective on past accomplishments, current status and future challenges associated with this initiative. Their remarks will reflect on the timing for bi-national and multi-state/province collaboration to drive supply chain innovation and trade. Speakers will deliver the challenge to participants to create a robust action agenda that will produce a more efficient and more capable bi-national supply chain.

Great Lakes Trade and Transport Hub Steering Committee Chair
6:30 pm OPENING SESSION: Defining the barriers to more regional trade
The session will identify the challenges for businesses who are interested in cross border trade. There will be an update on regional efforts to drive economic stimulation and job creation through global supply chain innovation. Industry leaders will deliver their experience of the barriers to cross border trade. Additionally, there will be a brief introduction of summit themes related to the GLITTH Initiative. The themes will be used in developing an action agenda with conference participants.
